Welcome to Nantucket

Nantucket Visitor Services, Nantucket Lodging Association, and Nantucket Island Chamber of Commerce, sponsors of this brochure, welcome you to Nantucket Island. Nantucket is a beautiful and unique destination; an historic whaling port that has retained its charm and natural beauty. We welcome thousands of visitors each year, all throughout the year, to enjoy our pristine beaches, charming downtown and beautifully preserved conservation properties. Stroll along cobblestoned Main Street, around the town and down the wharves, where you will discover boutiques, museums, gourmet restaurants, art galleries and so much more.

Our Organizations

Nantucket Visitor Services

VisitNantucketIsland.org **508-228-0925**

A division of the Town of Nantucket's Department of Culture and Tourism, Nantucket Visitor Services Information Bureau operates year-round at 25 Federal Street and also has seasonal information kiosks at Nantucket Memorial Airport and on Straight Wharf. Look for our Mobile Kiosk electric vehicle at many events and other favorite island locations. We offer free-of-charge referral and information service for transportation, tours, lodging, restrooms and activities. Although we are not a reservation agency, Visitor Services does maintain a daily list of available accommodations which includes one-night vacancies. This is an extremely helpful resource for those planning a short term or last-minute stay on the island. Visitor Services also maintains an open restaurant list that is updated weekly and is available for take away or can be downloaded from our website listed above.

Our Locations

- A** 25 Federal Street, Nantucket, MA 02554-3573
- B** Straight Wharf Kiosk

Tours of the Island

Nantucket Island is a unique and historic place. Founded by English settlers in 1659 and incorporated in 1671, this island 26 miles out to sea has its own distinct identity from its architecture, rolling moors and scenic ponds. There are more than 40 miles of bike paths, many walking trails and over 50 miles of beaches. There are many unique shops, restaurants, museums and galleries to visit while here on Nantucket Island. The Grey Lady has a strong maritime past and that continues today with its bustling harbor. Nantucket was also known as the Whaling Capital of the World from 1800 to 1840. There are over 800 buildings that date back to the Civil War era. Three lighthouses around the island help guide mariners.

NLA Policies

Reservations: Early advance reservations will ensure confirmed accommodations, especially in the summer season. Many properties have strict reservation cancellation policies. ***Please review the policy before booking your room.*** Even on the busiest weekends, spontaneous travelers may be able to book a last minute Nantucket getaway. There is no need to bring a car to the island for short term stays. Most lodging establishments are within easy walking distance of beaches, restaurants, museums, churches, galleries and shops; some further out of town provide a shuttle service for their guests. In addition, the year-round Nantucket Regional Transit Authority has numerous shuttle buses to take you to the more remote areas of the Island, beaches and shopping.

Storm Policy: If the ferries operate we expect guests to arrive as planned whether or not they planned to arrive by ferry or plane. Once ferry service resumes, guests are expected to arrive for the balance of their reservation. Travel delays, missed connections from airports, medical or any other travel issues will not merit credits or refunds. These potential unforeseen problems are best addressed with travel insurance which we highly recommend. Many properties have strict reservation cancellation policies. ***Please review the policy before booking your room.***

Minimum Stay: Many establishments have minimum stay requirements, particularly for weekends and peak season. However, some do accept one night reservations in advance, and it is often possible to obtain lodging on short notice. The Nantucket Visitor Services and Information Bureau at 25 Federal Street, 508 228-0925, maintains a listing of daily availability on their website: visitnantucketisland.org

Deposits and Refunds: Because of Nantucket's unique location, most visitors make precise travel plans and confirm their lodging in advance. If a confirmed reservation is canceled, it may not be possible to re-book the room. Therefore, our lodging members subscribe to a strict and businesslike deposit and cancellation policy similar to the following: For three nights or less, full pre-payment may be required at the time of booking. For longer stays, a 50% deposit may be required at the time of booking, with balance due on arrival. Deposits (less 10% services fee) will usually be refunded if notice of cancellation is received at least 15 days before expected arrival. If a cancellation is received less than 15 days prior to arrival, deposits, (less 10% service fee) may be refunded if the room is re-booked for the entire canceled period. **Some lodging establishments have stricter cancellation policies. Please check with your specific property before confirming your booking.**

NLA Group Reservation Policy

Nantucket lodging establishments often receive requests for group reservations such as weddings, reunions, anniversary celebrations, and groups traveling together.

For group reservations, Nantucket's lodging establishments generally subscribe to a common practice of advance group reservations being guaranteed and prepaid. In order to provide assurance to both the lodging facilities and the parties that book large numbers of rooms. The following policies apply: Full payment is required with 30-day notice to cancel, with a 10% cancellation fee. In the event that there is a shortening or cancellation of a reservation less than 30 days from the arrival date, the advance payment may be non-refundable. Please verify the specific policies at your choice of establishment for those that may pertain to your group reservation. It is common for group reservations to be subject to a service charge. **Some lodging establishments have stricter cancellation policies. Please check with your specific property before confirming your booking.**
